Las Vegas, NV

📞 702-493-1879 ✉ [cjosephballesteros@gmail.com](mailto:cjosephballesteros@gmail.com) [linkedin.com/charles-joseph-ballesteros](https://www.linkedin.com/in/charles-joseph-ballesteros) [github.com/cj-ballesteros](https://github.com/cj-ballesteros)

## Education

**University of Nevada-Las Vegas**

**Aug. 2021 – May 2025**

*Bachelor of Science in Computer Science*

*GPA: 3.7*

## Relevant Coursework

- Data Structures
- Cloud Applications
- Systems Programming
- Computer Organization
- Programming Languages

## Projects

**Light Novel Backlog Website** | *MySQL, HTML5, CSS, JavaScript*

**March 2023**

- Created a database for users to keep track of light novels they've completed and give their opinion on.
- Implemented user registration and login system using MySQL and PHP
- Designed website layout and concept, optimizing the website to be responsive

**Portfolio Website** | *HTML5, CSS, JavaScript, Bootstrap*

**September 2023**

- Created a website to display my projects and accomplishments.
- Utilized Bootstrap to create a working navigation bar and dynamic web page that changes based on the device.

**Connect 4** | *C++*

**January 2023**

- Developed the classic board game which pits two players against each other. Uses linked lists instead of arrays to track the board
- Allowed the option for different game modes that changes how the game is played
- Implemented in C++ in a LINUX based environment and debugged in VS Code.

## Experience

**Urth Café**

**June 2023 – November 2023**

*Busser/Runner*

*Las Vegas, Nevada*

- Ensured that food was quickly served with all the correct modifications and excellent service.
- Handled any customer questions and problems, resolving before it got to upper management.
- Worked and communicated effectively with coworkers to complete preparation, cleaning, expeditor, and closing duties in a speedy and efficient manner.

## Technical Skills

**Languages:** C++, C, Java, Python, HTML/CSS, JavaScript, SQL, x86, MIPS Assembly, PHP

**Developer Tools:** VS Code

**Technologies/Frameworks:** Linux, GitHub, Bootstrap

## Leadership / Extracurricular

**Society of Asian Scientists and Engineers**

**Fall 2021 – Spring 2023**

*Director of External Affairs*

*University of Nevada-Las Vegas*

- Assisted in running the SASE West Regional Conference hosting 150 attendees at UNLV.
- Administered feedback regarding club matters and made suggestions while helping plan out chapter meetings

**DECA**

**August 2019 – May 2021**

*Director of External Affairs*

*Southwest Career and Technical Academy*

- As VP, Spearheaded fundraisers with Café Zupas and Brew Tea, fundraising over \$500.
- Managed funds and took detailed minutes of all DECA board meetings.
- Lead officers to execute jobs, manage the club, and prepare members for competition, resulting in 10 members of 22 placing in their respective categories at Nevada State 2021.
- Planned out all DECA board meetings/chapter meetings.
